Skye® Roof Blinds Offer Style & Functionality For Roof Windows.

The elegant aluminium or white fascia and side channels house roller fabric discreetly within the roof window. Skye® roof blinds have been designed to perfectly fit Velux, new generation Velux, Rooflite, Keylite, Fakro & Dakstra roof windows. Offering optimum light control each blind can be positioned effortlessly to sit at any desired point within the side channels.

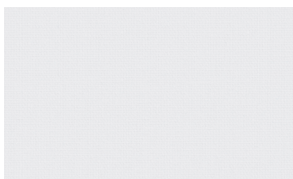

Choose Your Own Style With Skye® & The Fabric Box™

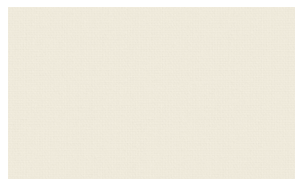

Produced with fabrics from The Fabric Box™ roller collection; choose from plain colours, designs, dimout or blackout fabrics, to create a roof blind perfectly suited to your interior.
